Sub: As above.

Sri C. Kotraiah, a Political sufferer has applied for the assignment of land in S.No. 206 (Ac.12-18) Dry A.W. of Hirevaddaraballi village of Kudligi Taluk. The land is far from S.J. cultivation and is not reserved for D.C. men. There are no trees, wells or buildings on the land. It is not irrigable under any irrigation source near by. It is included in A C.B. As laid down in paragraph 6 of G.O. No. 1523, Revenue d/ 11-6-49 permission of the Government has to be obtained to assign the lands included in C.Bs as such lands have to be assigned only to co-operative societies consisting of persons mentioned in paragraph 2 of this G.O. There are no proposals regarding the formation of a society for this C.B.

I, therefore, submit that permission may be granted to assign this land bearing S.No. 206 to the applicant as it is adjacent to other patta lands. A combined topographical sketch of the C.B. is herewith submitted for favour of perusal and return.

2 The Collector has reported that the total extent of the block is 234 02 acres. It is seen from p4 cf the sketch on p4 cf that S. No. 206, proposed for assignment to the P.S, is such Exactly at one end of the compact block. When the rule regarding the assignment of lands in compact block is relaxed, the Collrs are asked to assign the land beginning from one end of the block. In the circumstances reported by the Collr it is for orders whether the Collr may be permitted to assign the lands in the compact block to the P.S and if so whether the Collr may also be informed that he should assign land which is at one end of the compact block and not S.
